*Mark 10:17-23*

Sahl Martin speaking

### Opener Question:

Have you ever met someone who didn't seem to have a conscience? What were they like? What was your encounter with them like?

1. If you were to go out and do a "man on the street" interview at the Valley Mall, how do you think most people would answer the question, "Are you a good person?" If they answered, "yes" what would they likely mean?
  
2. Sahl said that before he was a Christian he created a god in his mind. What was he talking about? How have you seen that tendency in our world?
  
3. Sahl entreated us to listen, learn and love the Law. Why did he say that?
  
4. What ramifications do you see from the application points that were given at the end of the sermon?
  - A. The Lord will judge his people. Hebrews 10:26-30
  - B. If something/someone causes you to sin, cut it off
  - C. If we love Jesus, we will love his law
