James 4:1-10

Pastor Jonathan speaking

Opener Question:

1. Jonathan reminded us about the “paradox of surrender”. What was he talking about and how have you seen this principle at work in your life?
2. How do we need to get wise to Satan? What do you need to be able to more effectively resist Satan?
3. What does it mean to be “double minded”? Why is that so hazardous for the Christian and his or her testimony and ministry?
4. Jonathan said that he believes that many Christians have a casual attitude towards sin and treat it lightly. What do you think about that? Why do we have that tendency and why is that so dangerous?
5. What were the “Promises of Sheer Grace”? Which one of those do you believe you might be being led to lean in on?
